HOW TO FILE A CLAIM

Listed below are important instructions and comments about filing a claim.

YOUR CLAIM FORM

1. This claim form should be fully completed and submitted within 90 days from the date of injury. Be sure to answer and complete the section regarding "OTHER INSURANCE STATEMENT", marking either yes or no, and signing the line for authorization, so that *HSR* and the doctors/hospital may communicate concerning your claim.

Incomplete claim forms are one of the most frequent reasons why claim payments are delayed.

- 2. The claim form must be signed by a policyholder representative.
- 3. Only one claim form for each accident needs to be submitted.
- 4. Once completed, make a photocopy for your records, and mail to the address shown below.
- 5. DO NOT assume that anyone else will mail this claim form to *HSR* for you.

YOUR BILLS

- 1. Please advise all doctors/hospitals regarding this coverage so they may forward us their itemized bills.
- 2. If you have already been to the doctor/hospital and did not know about this coverage, then please send all the itemized bills to *HSR* at the address shown below.
- 3. The bills should include the name of the doctor/hospital, their complete mailing address, telephone number, the date you were seen by the doctor/hospital, what the doctor saw you for (diagnosis) and the specific itemized charges (description of treatment including the CPT/procedure code). Contact your medical provider for a UB04 or HCFA 1500 billing form.
 - 1. Please note that an itemized bill is defined as a bill/claim form from the provider via a UBO4 or HCFA-1500 claim form. Submitting itemized bills in any other format will delay the claims process. Providers are familiar with this process, so please be sure to (1) contact the provider and share the details above and request that the provider submit outstanding balances directly to *HSR*; or (2) secure a copy of the UBO4 or HCFA 1500s provided to the primary insurer and submit a copy to *HSR* for consideration. (See attached examples of a UB04 or HCFA-1500)
- 4. Due to HIPAA Privacy laws *HSR* is unable to request this information from your medical provider. Ultimately, it is your responsibility to provide the proper documentation. "Balance Due" or "Balance Forward" statements do not contain sufficient information to complete your claim. *HSR* cannot pay your bills using only the Primary Insurance Carrier's EOB.

EXCESS INSURANCE

- 1. If the policy provides coverage on a secondary/excess basis and you have any other primary insurance coverage you need to send the bills to your primary insurance first.
- 2. HSR will consider benefits after your primary insurance has processed the claim.
- 3. We will require a copy of your primary insurance Explanation of Benefits (EOB) which you should receive from your primary insurance letting you know what was paid or denied, and the reason(s) why. *HSR* will not be able to consider your claim without this information

If you have any questions, please contact Customer Service at (866) 523-3199. They are available from 8:00 a.m. to 5:00 p.m. Central time, Monday – Friday. You may also forward any documents by fax to (972) 512-5820 or email to <u>claims@hsri.com</u>.

Frequently Asked Questions (FAQ):

What is an Explanation of Benefits?

- An explanation of benefits is a document that explains how your insurance processed the claim for the services you received.
- It breaks down the information like this:
 - The services provided
 - What the doctor or hospital charged (all charges)
 - What your primary insurance covered and did not cover
 - What your insurance agreed to pay
 - The amount the claimant must pay (amount you are responsible for)

When Will I Receive an EOB From My Primary Insurance?

 Each insurance company is different but typically, you will receive an EOB within 30-60 days after receiving care provided your medical provider filed the claim with your primary insurance carrier.

Information the EOB Contains:

While all benefit statements look a little different, they will all contain the same basic types of information:

- Account Summary This will list your name, address, member ID, claim number and insurance group number.
- **Claim Details** This will include the services rendered, provider's name, location, date and any applicable reference number or medical procedure codes.
- The **Amounts**:
 - o charged by the facility or physician.
 - the amount your primary insurance has agreed to pay per their contract with the provider/facility; and
 - your financial responsibility.

Why Can't HSR Accept a Statement from My Provider Showing the Amount Owed (Balance Due Statement)?

- A balance due statement does not include the necessary coding information to process the secondary insurance claim and also includes provider payment information, including their Tax Identification Number which is required to finalize the claim.

FAQ (Continued):

What is an Itemized Bill?

An itemized bill is a full detailed listing of all actual charges that a patient or their primary insurance is being billed for based on the care received. Typically, these come in the form of a CMS HCFA-1500 for physician services or UB04 for facility charges. See below examples.
